"Having lived in Robeson County my entire life, I was looking for a way to provide long-lasting support for the region's important causes. We trust the Southeastern Health Foundation to use our fund's assets wisely and decide how to help meet community health needs as they arise. Join me as a Legacy Society Member by making a legacy gift that will impact the lives of future generations for years to come. "

MAKE AN IMPACT

A legacy gift takes your needs as well as the needs of your loved ones into consideration, while helping support a cause or a charity that is personally meaningful.

As you plan for your future, you are making a number of important decisions. One of those carefully planned decisions may be to leave a legacy gift-- a meaningful gift that will endure beyond your lifetime for the benefit of others. A legacy gift creates a lasting difference by enriching the lives of others and supporting and sustaining charitable work.

GENEROSITY FULFILLED

Members of the SeHealth Foundation Legacy Society share a strong common bond of generosity and visionary leadership. Philanthropy only requires a generosity of spirit and the desire to improve the quality of life for others. Legacy giving does not require a large income or vast estate, but only a thoughtful intention to make a difference in your community. Legacy Society members recognize the importance of making gifts through the Foundation, and with their leadership they encourage others to do so as well. Planning today will help sustain our community for a lifetime. Through the Legacy Society, the names and spirit of our supporters will be forever honored.
